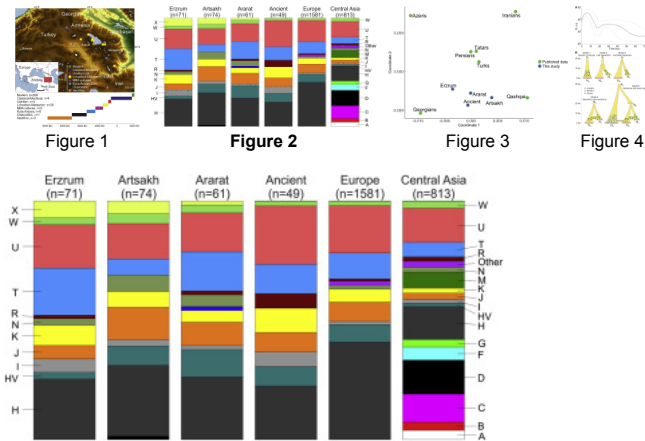

Figure 2

Caption Context in Article

mtDNA Haplogroups

The figure shows the modern groups including three Armenian (Ararat, Artsakh, and Erzurum), Central Asian (Tajikistan, Kyrgyzstan, and Uzbekistan combined), and European (Italy-Tuscany, Poland, and Bulgaria combined) populations. "Other" denotes the combined frequencies of mtDNA haplogroups with less than 1% in Europe and Central Asia. Extended haplogroup frequencies and references for the European and Central Asian populations are presented in the [Table S4](#). See also [Data S1](#), [Figure S1](#) as well as [Tables S2](#) and [S3](#).
